

Nelnet Payment Services

Release Notes for July 2025

Implementation Summary

Nelnet Payment Services (NPS) will deploy the project listed below to UAT on July 29, 2025 and to the Production environment on July 30, 2025:

Multi-Iteration

The following project has additional development and testing requirements and will not be live when it is deployed:

- **Visa Network Tokens** – NPS will be implementing support for Visa network tokens.

Client Action and Recommended Testing

Client action is not required for these enhancements. However, you should review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients who choose to utilize these features are strongly encouraged to complete testing prior to implementing them in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.
