Nelnet Payment Services
Release Notes for December 2025

Implementation Summary

Nelnet Payment Services (NPS) will perform internal security maintenance and deploy the project listed below to the UAT environment on December 4, 2025, and is scheduled for deployment to Production on December 10, 2025.

- **Apple Pay MPAN Handling** – NPS has added support for recurring transactions using MPANs to comply with Visa mandates.

Client Action and Recommended Testing

Client action is not required for these enhancements. However, you should review this information to assess potential impacts on your business processes, policies, and systems that support these enhancements. Clients who choose to use these features are strongly encouraged to complete testing before implementing them in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.
