

Nelnet Payment Services

Release Notes for February, 2023

Implementation Summary

Nelnet Payment Services (NPS) is deploying the projects mentioned in these release notes to UAT on February 6, 2023, and to PROD on February 15, 2023.

Multi-Iteration/Coded but Not Yet Deployed

Any project(s) listed here will not be live at the time of the deployment dates indicated above; but are part of a project that will be used in a later release:

- NPS Risk Service API Updates
 - Support Transaction Type 11 for ACH Payment Method
 - Region Update
- Apple Pay Integration and Certification

Client Action and Recommended Testing

Client action is not required for these enhancements. However, activation of the Risk Service requires coordination with Nelnet Payment Services. Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.

If you have questions, contact [NPS Client Services](#) or call 1.866.431.4637 or for assistance.

If you have questions about the Risk Service, contact [NPS Product Management](#) for assistance.

The information in this document is confidential and proprietary and is distributed to Nelnet Payment Services clients for their exclusive use in operating NPS applications. It may not be reproduced in any form without prior written permission from NPS, LLC.
