

Nelnet Payment Services

Release Notes for February, 2023

Implementation Summary

Nelnet Payment Services (NPS) is deploying the following project to UAT on February 24, 2023 and to PROD on March 1, 2023:

- Add Error Log on ACH Validation Service – This is a logging enhancement to assist with identifying authentication errors on the ACH Validation Service.

Client Action and Recommended Testing

Client action is not required for these enhancements. Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.

If you have questions, contact [NPS Client Services](#) or call 1.866.431.4637 or for assistance.

The information in this document is confidential and proprietary and is distributed to Nelnet Payment Services clients for their exclusive use in operating NPS applications. It may not be reproduced in any form without prior written permission from NPS, LLC.
