

# Nelnet Payment Services

## Release Notes for June, 2023

### Implementation Summary

Nelnet Payment Services (NPS) is deploying the Reporting Database project to UAT on June 15, 2023. The PROD date will be determined at a later date.

### Multi-Iteration/Coded but Not Yet Deployed

Any project(s) listed here will not be live at the time of the deployment dates indicated above; but are part of a project that will be used in a later release:

- Rapid Connect Recertification
- Apple Pay Integration and Certification
- Reporting Database

### Client Action and Recommended Testing

Client action is not required for these enhancements. Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.

If you have questions, contact [NPS Client Services](#) or call 1.866.431.4637 for assistance.
