

Nelnet Payment Services

Release Notes for June 2023

Implementation Summary

Nelnet Payment Services (NPS) is deploying the following project to UAT on June 29, 2023. A PROD deployment date is yet to be determined.

- MFA Functionality Added to Portals
 - The Admin and Merchant Portals will be updated with MFA (Multi-Factor Authentication) functionality in order to comply with updates to FTC regulations and to increase security to these portals. Details will be available in the **MFA Setup Guide** after internal testing is completed.

Multi-Iteration/Coded but Not Yet Deployed

The following projects will be deployed to PROD on June 28, 2023.

Any project(s) listed here will not be live at the time of the deployment date above; but are part of a project that will be used in a later release:

- Apple Pay Integration and Certification
- Global Payments Integration and Certification
- Rapid Connect Certification
- Risk Enhancements

Client Action and Recommended Testing

Client action is not required for these enhancements. However, activation of the Risk Service requires coordination with Nelnet Payment Services. Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.

If you have questions, contact [NPS Client Services](#) or call 1.866.431.4637 or for assistance.

If you have questions about the Risk Service, contact [NPS Product Management](#) for assistance.
