

# Nelnet Payment Services

## Release Notes for August, 2023

### Implementation Summary

Nelnet Payment Services (NPS) is deploying the projects listed below to UAT on August 2, 2023. The PROD deployment date will be determined at a later date.

### Internal Maintenance Updates

The following projects being deployed are related to internal NPS maintenance:

- Bluefin Connection Handling
- Partial Auth Handling
- Security Vulnerability Fix

### Multi-Iteration/Coded but Not Yet Deployed

Any project(s) listed here will not be live at the time of the deployment date indicated above; but are part of a project that will be used in a later release:

- Apple Pay Integration and Certification
- NPS Risk Service API Updates
- Gateway ACH Bridge Enhancements
- ACH Reporting Enhancements
  - The ACH Reconciled Summary report in the Admin Portal has been enhanced. A new option enables filtering by processor to support internal accounting efforts.

### Client Action and Recommended Testing

Client action is not required for these enhancements. However, activation of the Risk Service requires coordination with Nelnet Payment Services. Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements. Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The NPS User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing. NPS strongly recommends that you perform regression testing to ensure that your system continues to perform as expected.

If you have questions, contact [NPS Client Services](#) or call 1.866.431.4637 for assistance.

If you have questions about the Risk Service, contact [NPS Product Management](#) for assistance.
