

PaymentSpring Direct

Release Notes for January, 2021

Environment: Production (PROD)

Effective January 6, 2021, PaymentSpring Direct will implement enhancements for:

- Discover Expanded JCB and UnionPay BIN Ranges

Coded but not yet deployed/multi-iteration:

Any project(s) listed here will not be live at the time of release; but are a part of a project that will be used in a later release.

- Elavon viaConex Integration and Certification
- Peoples Trust PSiGate Integration

Client Action

Client action is not required for these enhancements.

Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements.

Clients that choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The PaymentSpring Direct User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing.

If you have any questions, contact PaymentSpring Client Services at ClientServices@PaymentSpring.com or 1.866.431.4637.

The information in this document is confidential and proprietary and is distributed to PaymentSpring clients for their exclusive use in operating PaymentSpring applications. It may not be reproduced in any form without prior written permission from PaymentSpring, LLC.

Discover Expanded JCB and UnionPay BIN Ranges

PaymentSpring Direct card ranges have been updated to include new ranges for JCB and UnionPay. Discover revised their IIN Range Routing Table. The changes are specific to JCB and UnionPay card ranges to expand the assigned card numbers.
