PaymentSpring Direct
Release Notes for April, 2021

Environment: Production (PROD)

Effective April 28, 2021, PaymentSpring Direct will implement enhancements for:

- Return Remittance Enhancements

Client Action

Client action is not required for these enhancements.

Review this information to determine potential impacts to your business processes, policies, and systems to support these enhancements.

Clients who choose to utilize these features are strongly encouraged to complete testing prior to implementing in their production environment.

The PaymentSpring Direct User Acceptance Test (UAT) environment is available for clients to test new functionality and for regression testing.

If you have any questions, contact PaymentSpring Client Services at ClientServices@PaymentSpring.com or 1.866.431.4637.

Return Remittance Enhancements

PaymentSpring Direct is making improvements to enhance the remittance return process to not automatically retry returned ACH remittance transactions. These changes are intended for accounting purposes only.
