## **Tax ID Format Change**

PaymentSpring Direct has enhanced functionality to enable two number formats or methods for entering the Tax ID via the PS Direct Boarding API or manual entry on the Merchant Details screen in the PS Direct Admin Portal. The first method is the traditional format of 9 digits that includes a hyphen (12-3456789); the enhancement also supports a second format of 9 digits without a hyphen (e.g., 123456789).
